Here is what they say about INVENTATEQ.

I joined AWS course in Inventateq. After joining I got practical classes with industry projects, trainer shows how u exactly work in company projects which is what I feel A student required to crack interviews and to survive also. The best part is Inventateq placements, they regularly sending job openings, Now got selected for Infosys Company.

BEBEJAN S

I completed my Aws and Devops training course. Excellent Trainer, He taught all associate and professional certification concepts with dumps. Training gave sample projects in Amazon web services. Technically he is very strong, had a lot patience to clear all the doubts.

I Myself Manjula, a recent Graduated Computer engineering student. I was eager to join Cloud Computing. So, I decided to join AWS course in INVENTATEQ Institute. The Trainer, I can say he is well talented. He gives much more importance to our growth in IT industry rather than Certification. So, I recommend to join Inventateq to gain Knowledge.

MANJULA. GH

InventaTeq the best Institute for getting training on AWS. The Instructor world class and job oriented training so you will get more than regular class training. they have provided me placement support. thanks to inventateq and trainer.

Here is what they say about INVENTATEQ.

I Have Taken Amazon web services training in inventateq. This course has helped me stay on track and covering all important topics properly instead of overloading information and that too, we had to bring our laptops every class, thereby understanding through practical approach. Timings are flexible even for weekday classes if you are not able to come on all days. The Best aws training in bangalore .Thanks To inventateq btm layout 2nd stage.

KAVITHA

I am satisfied with the course cloud computing aws that I have joined in inventateq BTM Bangalore. They provided me flexible hours class time every day. The trainers helped me a lot and their assistance wasn't restricted to the time. Really a good and helpful faculty, would recommend to anyone.

PRIYA

i have done my Amazon Web Services course in inventateq, i had a wonderful experience with the trainer and the institute. The way of teaching and behaving was excellent. They gave me a lot of confidence in subject as well as my career. Excellent institute for learning!!!!....

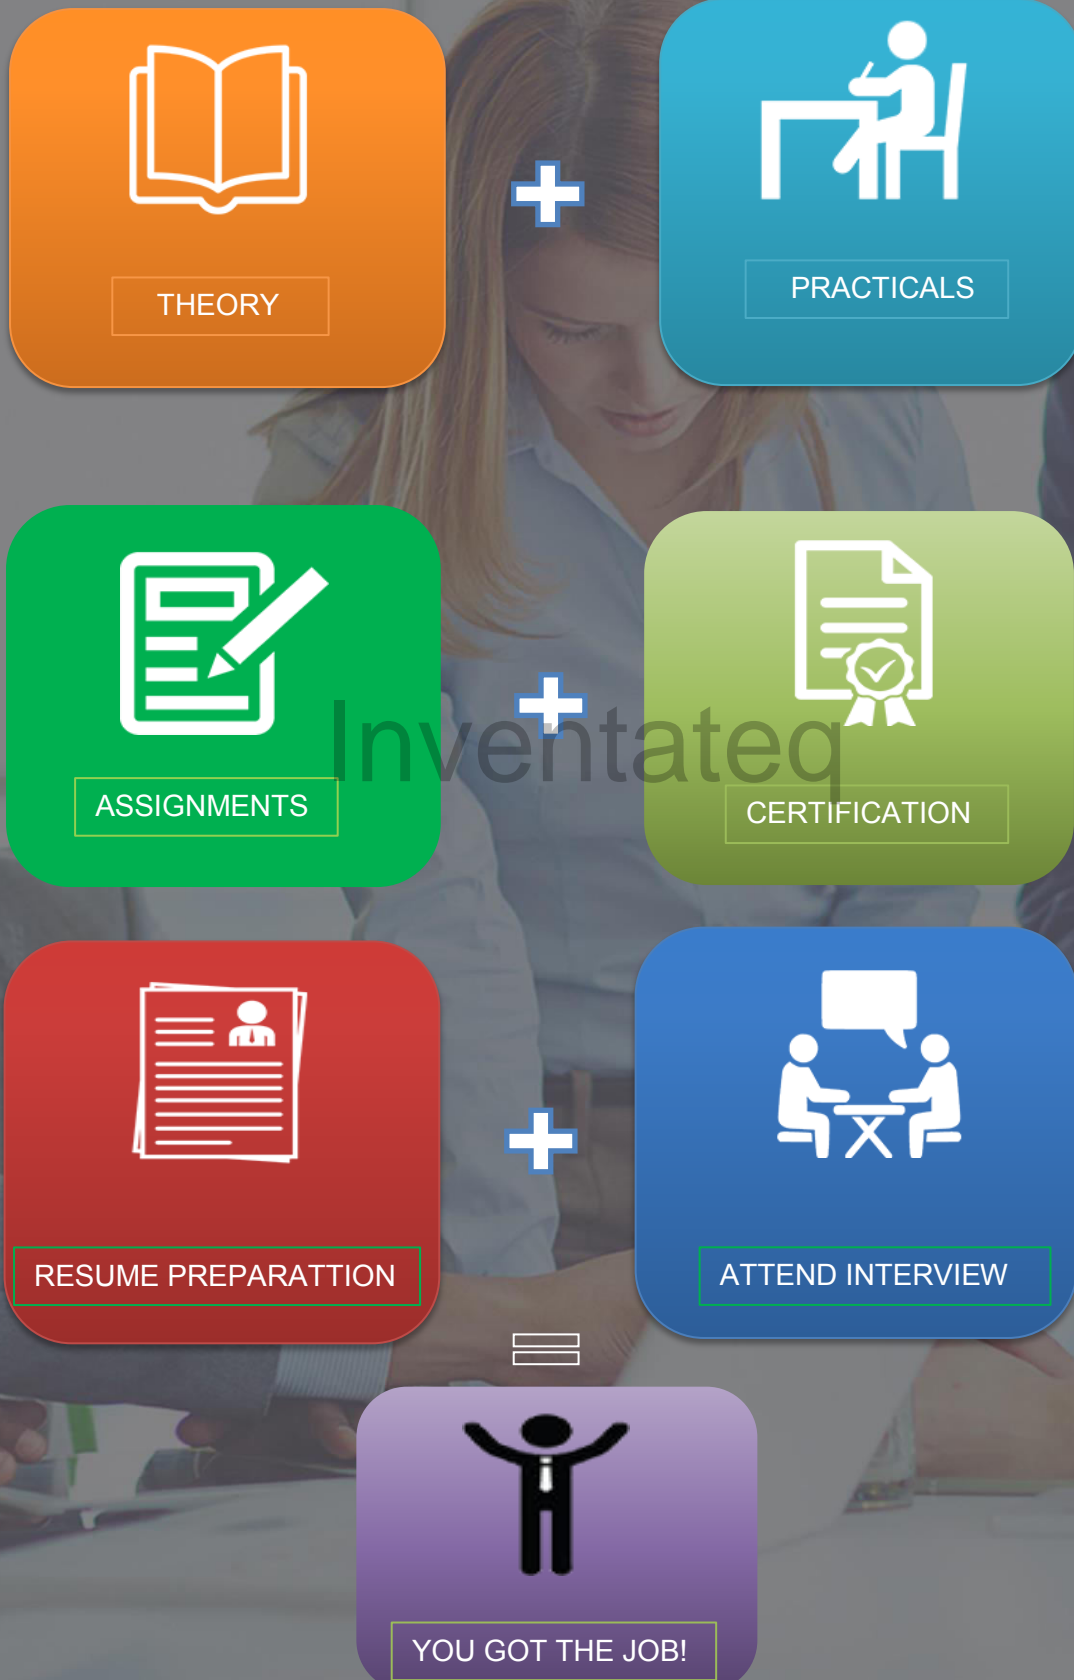

HEMALATHA

AWS Trainer is excellent in teaching.... He used to give assignments regularly. my trainer devotes a great amount of personal effort. I've learned a lot of things from this session. thanks to Inventateq
