Here is what they say about INVENTATEQ.

I had the best experience with Inventateq, the best training, best instructors. The best part is the interactive session instead of academic courses. The trainers are always open to all the questions and ready to help any time after the sessions. I am getting practical, real-world knowledge.

MUKUTA PEGU

Had a great experience while learning Softskills Course in Inventateq. Trainers were very professional and the way of explaining algorithms was good. During this pandemic the management has well organised the lectures and sessions.

AJAY

Inventateq is the best institute for Softskills. The Trainer has helped a lot in getting placement as well as clearing doubts. Even after course completion whenever I have approached regarding any doubt Sir has given complete importance and explained me the stuffs clearly.

KUMAR

Best training institute for learning Data Science. I got best training for digital marketing from inventateq. Trainer thoroughly clear all the doubts and within 2 months he completed the training. Good value for money and time too

Here is what they say about INVENTATEQ.

I did Data Science course from Inventateq it is one of the best institutes in the Bangalore to learn Data Science. Excellent, focused course, very easy to understand.

Surendra Kumar

Good value for money. Trainer highly skilled person in the field - who has the knack of explaining complex topics in the simplest way possible. It helped me to grasp and gain knowledge about various modules incorporated in Data Science field at affordable price.

DIVYA

Instead of saying it as a course, I would say it is a great experience. This special and innovative course has covered all the aspects of Data Science in a very good manner. The way syllabus is defined matches with your busy schedule. It is easy to learn and earn an additional credit for you in person.

ADHARSH

I recently had the opportunity to attend Softskills course. I refer them because they have that unique combination of an in-depth knowledge of their subject and the ability to communicate that in a clear and interesting manner. After completion of the course they have sent me for job interviews also, and now I got placed. Thanks you so much.
